2015-16

Administrator Annual Goals: The purpose of this activity is to promote self-reflection before the school year begins. Each administrator is challenged to develop professional, personal, and school goals for the coming school year. When perception checks and evaluation season rolls around next spring, these goals will serve to help evaluate the administrator.

1. Goals in the area of spiritual leadership?

2. Educational Leadership? (i.e. curriculum or accreditation)

3. Managerial leadership? Any are where you need to improve your knowledge or skills?

4. Personal goals? In the IB curricular world, for example, students are always challenged to take on new tasks to stretch their abilities.

5. School goals?

6. What are your most important goals?
